Attn: Public Affairs
Washington, D.C. 20505

Dear Editor:

In the World Factbook, there is apparently a mistake for the listing of the Colombian independence day. Your book has July 30, but my almanac, and the Diplomatic List put out by the State Department, lists independence day as July 20. I have always seen July 20th listed as their independence day.

Thank you.

Sincerely yours,

Shirley Dawson
